HAVE YOUR QUESTIONS READY TO CALL ATTORNEY KATHY A. CRUZ.

Over the next 10 weeks Kathy will reveal 10 secrets your creditors do not want you to know so tune in to find out some of the **best kept secrets** in America.

THIS WEEK'S SECRET – BANKRUPTCY IS NOT THE END OF YOUR LIFE!

America is a land of risk takers and that is what makes this country great! Anyone can rise to any level, but we have to be allowed mistakes. If you make a mistake, you can try again, that's why the basic concept of bankruptcy is called a 'Fresh Start'. Thousands of successful people have made a mistake along the way to eventual success.

Because "Ask The Professional" will not be aired on July 4th, we thought it appropriate to discuss this week how bankruptcy has effected our national history and who are the rich and famous who have had financial problems and still succeeded.

Kathy A. Cruz is Arkansas' **ONLY** Board Certified Attorney in Consumer Bankruptcy Law by the American Board Of Certification.
